\* \* \* \*

**WHEREAS**, on April 1, 2020, City Council passed Ordinance No. 2020-283 establishing the maximum speed limits in certain school zones on City of Houston ("City") streets; and

**WHEREAS**, upon the basis of an engineering and traffic investigation, the City Council has determined that speed limits established on certain City streets by Ordinance No. 2020-283 should be changed; and

**WHEREAS**, upon the basis of an engineering and traffic investigation, the City Council has determined that the maximum speed limits set forth in the zones hereinafter indicated are reasonable and safe; **NOW, THEREFORE**,

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF HOUSTON, TEXAS:**

**Section 1.** That the findings contained in the preamble of this Ordinance are determined to be true and correct and are hereby adopted as a part of this Ordinance.

**Section 2.** That the table attached hereto, consisting of 56 sequentially numbered pages, each entitled "City of Houston, Houston Public Works Department Transportation and Drainage Operations, School Speed Zones - 20 MPH," dated September 19, 2023, is hereby incorporated by reference into this Ordinance for all purposes as **Exhibit A**.

**Section 3.** That the maximum prima facie speed limits in the zones set out in Exhibit A are hereby altered, and a speed of 20 miles per hour is hereby established as the maximum prima facie speed limit in each such zone during the times established as

provided in Section 5 below. Any speed in excess of such speed limits upon the streets, highways and other thoroughfares so designated and within such respective zones at the times so established shall be prima facie evidence that the speed is not reasonable or prudent and that it is unlawful. No person shall drive a vehicle at a speed in excess of that which is reasonable and prudent under the circumstances then existing.

**Section 4.** That the speed limits established herein are applicable within the limits of the zones stated on each street, highway, or other thoroughfare and in the direction(s) of travel indicated for each zone.

**Section 5.** That the foregoing speed limits shall be effective in said respective zones at the times established by the City's Traffic Engineer. The Traffic Engineer shall either post appropriate signs stating the effective hours or utilize a flashing beacon/sign system and cause the beacons to be activated during the effective hours.

**Section 6.** That every person violating any of the provisions of this Ordinance shall be guilty of a misdemeanor and shall be punished by a fine of not less than \$1.00 nor more than \$200.00.

**Section 7.** That Ordinance No. 2020-283 is hereby repealed to the extent that it conflicts with this Ordinance, except as provided in Section 8, below.

**Section 8.** That this Ordinance is subject to the operation of Section 1-5 of the Code of Ordinances, Houston, Texas, and the provisions of Ordinance No. 2020-283 that are in conflict with this Ordinance are expressly saved from repeal for the limited purpose of the trial and punishment of all offenses arising thereunder prior to the repeal of those provisions by this Ordinance.

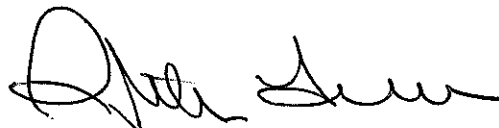

**Section 9.** That, if any provision, section, subsection, sentence, clause, or phrase of this Ordinance, or the application of same to any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining

portions of this Ordinance or their application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Ordinance that no portion hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other portion hereof, and all provisions of this Ordinance are declared to be severable for that purpose.

**Section 10.** That there exists a public emergency requiring that this Ordinance be passed finally on the date of its introduction as requested in writing by the Mayor; therefore, this Ordinance shall be passed finally on such date and shall take effect immediately upon its passage and approval by the Mayor; however, in the event that the Mayor fails to sign this Ordinance within five days after its passage and adoption, it shall take effect in accordance with Article VI, Section 6, Houston City Charter.
